

ENJOY PRIVATE DINING AT HOME

Coordination support for International Residents

Enjoying life in Japan often includes discovering new dining experiences and sharing special meals at home.

Conceptié helps international residents coordinate private chef services and communicate smoothly with Japanese providers.

Beyond dining, we also offer broader lifestyle support to make everyday life in Japan easier.

CHOOSE YOUR PLAN

All support provided by Conceptié concierge service

Simple

Booking Support 20,000 yen

Personalized Lifestyle Options & Membership Benefits

Available as add-ons to the Premium Full Concierge Package or exclusive to our Monthly Subscription Members.

Real Estate & Relocation Support

Comprehensive property search and relocation management. Includes coordination with premium moving services and luxury real estate partners.

*Coordination is included in your membership or flexible points; brokerage commissions, deposits, and service fees vary by provider.

Medical Escort

Continuous physical support for regular hospital visits or specialized treatments beyond the initial trial session.

*Ongoing support is available for members to ensure consistent care.

Home & Family Management

We coordinate trusted babysitters and professional housekeeping services to ensure your family's daily peace of mind.

Curated Travel & Culture

In collaboration with major travel agencies, we design bespoke luxury itineraries and exclusive cultural experiences tailored to your desires.

Community & Events

Premium members enjoy one complimentary invitation to our signature cultural events—such as Miso-making or Sake tasting—with special member rates for all future sessions.

*Specific service details and availability may vary based on your membership type. Please message us for a consultation or to join our membership.
